A bowl of:

- Sweet potato
- Avocado
- Cottage cheese
- Tajín

Drake's Version

This version uses ground pork instead of ground turkey, plus onion, spices, roasted sweet potato, avocado, cottage cheese, Tajín, and lime.

Ingredients

- 1 pound ground turkey or ground pork
- 1 small onion, diced
- 3 large sweet potatoes, microwaved briefly, cubed, and roasted
- 1 avocado, roughly chopped
- Cottage cheese, for topping
- Tajín, to taste
- 1 lime, for squeezing over the bowl
- Oil, for roasting the sweet potato
- Chili powder, to taste
- Garlic powder or garlic salt, to taste
- Cayenne pepper, to taste
- Black pepper, to taste

Instructions

1. Microwave the sweet potato for a few minutes to soften it slightly.

2. Cube the sweet potato.
3. Toss the sweet potato cubes with oil, garlic salt, and pepper.
4. Roast at 450°F for about 20 minutes, or until browned and tender.
5. While the sweet potato roasts, dice the onion and saute it in a pan until softened.
6. Add the ground turkey or ground pork to the pan.
7. Season the meat with chili powder, garlic powder or garlic salt, cayenne pepper, and black pepper.
8. Cook until the meat is fully cooked through.
9. Build the bowl with the seasoned meat, roasted sweet potato, chopped avocado, and a dollop of cottage cheese.
10. Finish with a generous dash of Tajín and a squeeze of lime.

Notes

Edgar sent me a simple, straightforward, healthy dinner recipe that of course I made much more complex. A perfect example of how little detail I need to mess up your submitted recipe and take it in a whole new direction!

My final rating: 9/10.
